

# **Release and Waiver of Liability**

## **IRVA CRV REG Study Group**

In some 25 years of government applications and training of the remote viewing phenomenon, there have been no reported cases of remote viewers suffering any ill effects from the process other than normal fatigue associated with concentrated intellectual effort. Though there is no known physical or mental risk from remote viewing, it remains an experimental process. Similarly, there is no known physical or mental risk from remote viewing in the presence of a random event generator (REG).

**IN CONSIDERATION OF** being permitted to participate in the International Remote Viewing Association (IRVA) CRV REG Study (Study), the undersigned, on behalf of myself and my heirs, executors, administrators and assigns, hereby:

Understand and acknowledge the risk that such an experimental study process may pose including any changes in my personal philosophy or world view that might effect me or my relationships due to my exposure to new ideas or methods associated with the Study and declare that I am participating in this study wholly at my own risk.

Release and forever discharge the IRVA and its employees, officers, directors, researchers, members, affiliates, agents, representatives, successors and assigns (collectively the "Releasees") of and from all claims, demands, damages, costs, expenses, actions and causes of action (collectively the "Claims") in respect of death, injury, loss or damage to myself or property howsoever caused, arising or to arise by reason of or during my participation and/or involvement in the Study, and notwithstanding that any Claim may have been contributed to or occasioned by the negligence of any of the Releasees.

Indemnify and save harmless the Releasees from and against any and all liability incurred by any or all of them arising as a result of or in any way connected to my participation in the Study.

Agrees that in the event that any provision of this Release and Indemnity is held to be invalid or unenforceable by any court of competent jurisdiction, the invalidity or unenforceability of such provision will not affect the remaining provisions of this Release and Indemnity which shall continue to be enforceable.

**I HEREBY ACKNOWLEDGE READING, UNDERSTANDING AND AGREEING WITH THE FOREGOING.**
